

Young Entrepreneurs Program

APPLY FOR A \$1,500.00 SCHOLARSHIP TO THE PROGRAM

This flexible 2 hour block, 15 day program is designed for virtual participation administered after school.

This program is designed to empower participants (ages 13-19) with the understanding of the fundamentals of being an entrepreneur. The program will demonstrate the beginning planning process of business creation as well as strategies of organization and implementation of planning. The program will assist the participants in the creation of their very own business plan. The program will help participants ascertain pertinent information which should be included in a business plan. Participants will also basic learn financial literacy and open a bank account with an \$150 deposit.

Application are now being accepted. Apply online:
